

Why choose BFan?

✓ **High Quality Instructors** BFan's coaches aren't advanced ballet students—they are professionals. In fact, not only are they professional dancers, they are also college-educated in dance education with many years of teaching experience. (For all Training Division classes, our instructors are required to have studied for at least ten years with top experts in the Vaganova Syllabus.) This means that they not only know how to dance—they also know how to work with young people. You can trust that your child is in the hands of an instructor who is experienced, committed, detail-oriented, passionate, and accessible.

✓ **Limited Class Size** Our class sizes are limited to only 10 students per class for an unmatched, highly-motivated learning environment for every one of our students. Dance lessons at The Academy of Ballet Fantastique give you the benefits of a large school's high-caliber training with the semi-private atmosphere of a personal coach—all at a fabulous value.

✓ **Beautiful, State-of-the-Art Downtown Eugene Facilities** BFan boasts not one, but two gorgeous, bright and airy downtown Eugene ballet studios: the City Center for Dance and the Annex. These studios are fully equipped with barres, mirrors, professional sprung dance floors, dressing rooms, and two walls of 14-foot windows. Please come visit us for a tour of our studios!
